

BRIDGEWATER STATE UNIVERSITY COMPOSITE SQUADRON

Senior Uniform Order Guide

Seniors are required to maintain two uniforms:

1. Airman Battle Uniform (ABU), Corporate Field Uniform, or Corporate Working Uniform
2. Dress Blue (Class B) Uniform or Aviator Shirt Uniform
3. Flight Duty Uniform (pilots and aircrew only)

Seniors are expected to be in the correct uniform and wear it properly for all activities. This includes the correct name tape, CAP tape, unit and wing patches attached. BSU Composite Squadron seniors without grade will wear the dress uniform for the grade structure they are pursuing. Ref. CAP Regulation 39-1 Section 1.4 CAP Uniform Manual.

Uniform items are available from many sources. CAP's official partner is Vanguard. Shop at CivilAirPatrolStore.com, (800) 221-1264. Ask to speak with a uniform representative before ordering to ensure proper fit and selection of accessories. Vanguard offers free shipping for online orders over \$35.

Seniors living near an Air Force base may purchase uniform garments (but not senior insignia) at the Exchange or thrift store. Speak to your senior leaders about local options including online military surplus stores. eBay offers additional options as well.
